EXPEDITION

The Desert Yacht Club is an inspirational venue and art production center where creative people come to retreat, connect with nature and imagination, and pursue their continual rebirth as artists, lovers, and souls at sea.

DISPATCH

1. Provide a fertile environment for art events and multimedia content production.
2. Host passengers for short stays and creative exploration.
3. Develop a community of DYC Members who sustain and contribute to the project.
4. Share the space, learn about off grid living and art projects development, meet creatives and stay together.
5. Experience and contribute to the utopia of a self sufficient, sustainable, joyful remote/isolated community living altogether in nature.

BE CREATIVE, BRING YOUR CREW, BECOME A MEMBER!

When you look forward to book the DYC for your production/event we ask you to commit in joining our philosophy. Make sure all the members of your crew care about sustainability, acceptance, respect for all, discovery and challenges; that they all are looking forward to attend creating an harmonic vibe in deep contact with the raw nature of the desert.

Chose the package that best fits your vision to produce at the DYC and all the members of your crew become a member so to access to the club and all its benefits. This means that you and your crew will be able to access the DYC also after your production and be allowed to book individual stays at preferred rates during calm season or throughout our stand by list.

We are creating a selected community of guests that know the Desert Yacht Club and help us supporting our vision, that want to take care of our special, precious and delicate environment . The Desert Yacht Club aim to be perceived as something you belong to rather than a place to visit for a short stay.
